"THE STORE OF TODAY AND TOMORROW"

T. B. Day Was Signally Honored In Public School

Tuberculosis day was signally honored in the Cimarron public school, Tuesday and it will long be remembered as one of the most important days in the school year. The essays that were written by the pupils will be graded in Santa Fe by the Tuberculosis Society and each grade will be awarded either gold, silver or bronze medals according to text of the essays. It will be some time before the prizes can be awarded owing to the large number of manuscripts that must be graded.

Land Office In Moratorium; No One To Pay Clerks

Things are at a standstill in the Ft. Sumner land office on account of the lack of a receiver, no appointment having yet been made to fill the vacancy caused by the death of the former official. There are about 300 state collections to be made and over a hundred homestead filing applications and sixty final proof applications awaiting action. In the meantime a "moratorium" exists in regard to the wages of the employees of the office.

A. D. Hurst, a carpenter at the Santa Fe shops in Raton, had his wrist and forearm badly mangled by an electric drill. The muscles of his wrist were torn loose and a large piece of flesh torn from the

bone of his forearm. Mr. Hurst was just completing the boring of a hole through a heavy timber when the rotating drill caught the sleeve of his work jacket and twisted into the flesh of his arm. He was sent to the La Junta hospital for treatment.

District Court Comes To An Abrupt End

It is persistently rumored that the grand jury of the Colfax county district court was dismissed on Tuesday by Judge Leib, it being stated that the court held the jury to be illegal on the grounds that it was drawn without the approval of the court. It is also stated that the grand jury will be called upon to be in session the first Monday in January to resume its belated court duties.

Keep The Kidneys Well

Health Is Worth Saving, and Some Cimarron People Know How to Save It.

Many Cimarron people take their lives in their hands by neglecting the kidneys when they know these organs need help. Weak kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger. Use Doan's Kidney Pills—a remedy that has helped thousands of kidney sufferers.

The following statement leaves no ground for doubt.

John W. Crouse, 144 N. Third St., Raton N. Mex., says: "My back was so weak that I could hardly straighten up and it was hard for me to put on my shoes. My kidneys, were out of order, I finally began using Doan's Kidney Pills and they soon put a stop to the trouble. I consider Doan's Kidney Pills a good medicine and cheerfully recommend them."
